Easter Time

IS WEDDING TIME
WEDDING TIME IS

Old Ring Time

He may venture a prophecy, then next month will be wedding time for many happy young people. We say this from our own knowledge of previous years, for, of course, this store plays an important part in nearly every wedding. First of all there is the engagement ring, and then comes the nuptial gifts from relatives and friends.

There is a wedding in view then it is a visit to this store which has been called the "Wedding Store."
